

## Eclipse

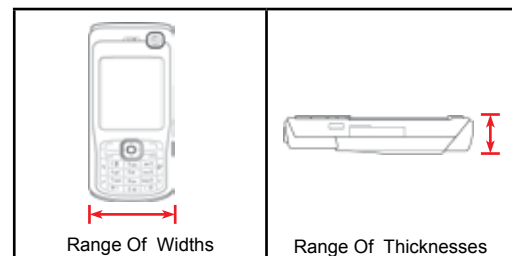

The Compucage Eclipse enables retailers to confidently display high-end, fully functional consumer electronics for maximum sales impact. It's non-intrusive, low profile design ensures that customers will focus on the product, rather than the security. The Eclipse easily adjusts to accommodate most mobile phones, as well as GPSs and MP3 players.

- ☒ One of the strongest designs available
- ☒ Lightweight and versatile design
- ☒ Adjusts to accommodate most mobile phones
